Gators Edge Chico, 7-6, To Win Conference Title

Wildcats Stopped on Goal Line in Waning Moments

A crowd of 6300 cheering fans journeyed to Cox Stadium last Friday night to watch the Golden Gators of San Francisco State College edge out Chico State, 7-6, to win the race for the Far Western Conference football championship. In a game that possessed every conceivable thrill known to present-day football, the Gators wrested the crown from last year's titleholders in what is considered to be the greatest football contest ever recorded on the pages of S. F. State gridiron history.

RODRIGO KICKS OFF
The opening kick-off found fullback Bob Rodrigo of S. F. booting and Chico quarterback Hal Riggins receiving, to begin a battle that, statistically speaking, was a toss up.

Higgins received the ball on the 18 and returned it eight yards to the 26 before being brought down. Play number one was perhaps the most ordinary play of the game and certainly gave no indication of what was to follow. Higgins handed the ball off to Chico left halfback Mike Adams who bucked the line for two yards. S. F. refused an offside penalty called against the Wildcats and the 'Cats found themselves a second down and eight yards to go on their own 28.

ADAMS RAMBLES
Play number two looked no different than the Wildcats first endeavor. Again Higgins took the snap back from center and again he slipped the pigskin to Adams. Adams cracked the left side of the Gator line, angled away from the linebackers and scampered for the sidelines. With the aid of some very effective blocking Adams side-stepped the secondary, broke into the clear on about the Gator 35, and went all the way for the score.

The Wildcats sealed their own doom on the conversion attempt, however, when they were penalized 15 yards for illegal procedure. Electing to pass for the extra point, Higgins missed his mark and the score remained Chico, 6, and S. F. State, 0, with but 54 seconds gone in the ball game.

SEE-SAW BATTLE
The remainder of the first period and all but a few minutes of the second quarter saw the two teams struggle vainly to gain the advantage. Finally, in the closing minutes of the half, S. F. gained control of the ball on their own 34-yard mark by virtue of a Chico punt.

Once more the Gators started a drive, but this time, instead of succumbing to Wildcat pressure, the Purple and Gold squad moved to Chico's 28-yard line. Ellis then passed to Bob Springer on the 25, who lateraled to halfback Harry Bremmond.

BREMMOND SCORES
Bremmond scurried to the

(Continued on Page 4)

Newman Sponsors 'Fantasy in Frost'

"Fantasy in Frost," a semi-formal dance sponsored by the Newman Club of S. F. State, will be presented at the Terrace Room of the Fairmont Hotel, 9 to 1, Friday, December 3.

Continuous music for the dance will be provided by the Virgil Gonsalves sextet and the Jack Periera Combo. Gonsalves, a former S. F. State student, has recently recorded on the Nocturne label.

According to Ed Harrington, social chairman of the Newman Club, "Fantasy in Frost" will be an annual affair attempting to provide the ultimate in dancing enjoyment for the entire student body."

Further information and dance bids may be obtained from Sharon McCulley and Bob Stevens in Hut T-1 or by contacting Newman Club officers.

Bowl Bid Hangs On Outcome of Fresno State Tilt

State's Golden Gators, newly crowned champs of the Far Western Conference, take their 8-1 record into Ratcliff Stadium on Thanksgiving day, in hopes of protecting it against tough Fresno State, probably their most formidable opponent to date.

While the Gators will be high for this one because their showing could mean a bowl bid, the Bulldogs were rolled over by San Jose State, 28-0, last week, and may be mad.

TOP RUNNING GAME

Coach Clark Van Gelder's strong men have as fine a running game as there is on the Coast when everything breaks right. Workhorse freshman fullback Dean Philpott and dangerous halfbacks Duke Snider and Winston Beasley form the main line of Fresno's offense, and are backed up capably by Don Driscoll and John Steinborn.

Should the ground attack bog down, quarterback Fred Bistrick will pass to his leading receiver, end Bill Murphy. Snider is also a dangerous receiver on the long ones.

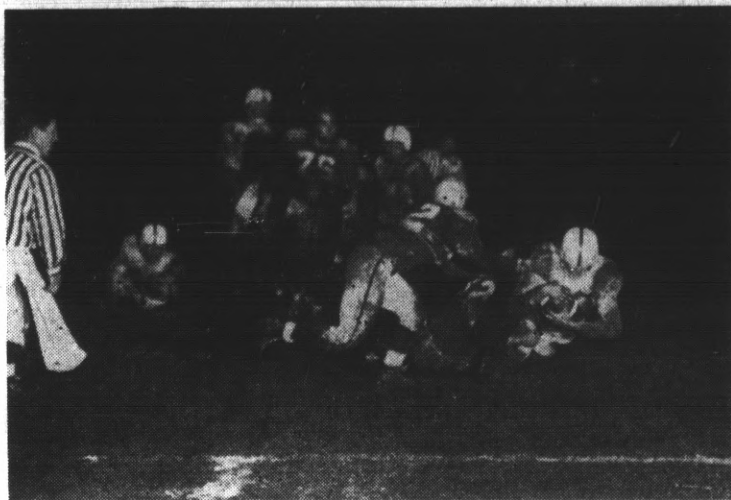

WHITAKER STARS

Two stalwarts up front are Willard Whitaker, one of the best on the Coast, and tackle Lyman Ehrlich. Also tops is end Rod Galloway.

The Gators, too, have a wealth of backfield strength, many of the boys being so closely matched in ability that Coach Joe Verducci can virtually start three different backfields of about equal scoring power.

WHO'S WHO DEADLINE

The date for the deadline for names in "Who's Who" has been extended from October 27 to November 30. The standard which the students must meet are that they must have roughly a 1.5 average, must be junior through graduate student, and must have participated in more than one activity.

—Photo by Mike Blass.

Jesse Jones and Co. stop Chico Quarterback Don Ray on his last-ditch plunge designed to bring his Wildcats a victory, but which instead backfired, thus allowing the Gators to make their now famous goal line stand, giving them the Far Western Conference Championship in the remaining few seconds of game.

Soph Class Presents Dance at the 'Mark'

"Moonlight at the Mark," the semi-annual ball presented by the Sophomore Class, will be held at the Mark Hopkins Hotel Saturday, November 27, at 9 p. m.

The dance will feature the music of Phil Bovaro and his band, who are currently being seen on television.

Special guests for the evening will be the Sophomore Class presidents from the University of California, City College of San Francisco, University of San Francisco and Lone Mountain.

On Wednesday, preceding the dance, at noon time, the Sophomores will release scores of balloons in the cafeteria. Inside some of the balloons will be free tickets to the dance.

Tickets are now on sale at the main entrance of the cafeteria.

According to Sophomore Class president, Bonnie Balston, a plan has been devised whereby tickets may be reserved for \$1, the balance of \$1.50 to be paid at the door.

Applications Out For UN Delegates

Applications are now available to all students who are interested in participating in the S. F. State delegation to the Model U. N.

These applications may be obtained in either Hut T-1 or Dean Wells' office, and must be completed and turned in by December 1.

S. F. State, as is customary for the host college, will represent Russia.

SENIOR BENCH STILL LOST; NEW CLUE HERE

Since the first two clues published in the Golden Gater failed to reveal the whereabouts of the Senior Bench, a third one has been offered by the prospective senior who confiscated it.

GO 18 STEPS THEN
GO 22 STEPS.
THEN GO BACK 11.

Calendar

THURSDAY, Nov. 25—Thanksgiving Holiday. 11:00 a. m., Fresno State vs. S. F. State football game at Fresno.

SATURDAY, Nov. 27—"Moonlight at The Mark," 9 p. m. to 1 a. m., Golden Empire Room of the Mark Hopkins Hotel.

American Poet Patchen Will Lecture December 2

On December 2, the Poetry Center of S. F. State will present the American poet Kenneth Patchen. Patchen is unknown outside the world of poetry but, in his own circle, he is considered the most exciting and original poet writing in America. Critics say that he is "the most compelling force in American poetry since Whitman."

For the first time in the school's history, San Francisco State had two Homecoming Queens. When the votes were counted, the balloting was declared a

tie and Jeanne Kessey and Sally Saunders named as queens for 1954. Miss Kessey was sponsored by the AFROTC and Miss Saunders by Alpha Zeta Sigma.

Boiler Room Letters

Senior Bench

Editor—In answer to the critical letter in the November 12 issue concerning Senior apathy, I would like to state the case for the Seniors as I see it.

The Senior Class is numerically smaller than the other classes. The large majority is in preparation for teaching. The Low Seniors are taking teaching methods courses which are more time-consuming, if not more difficult, than any previous courses, and the High Seniors are engaged in student teaching which allows only four hours per week on campus. Time itself is the factor which controls the choice between the attainment of one's scholastic goal and the whereabouts of some weatherbeaten bench.

Perhaps by the time Freshmen and Sophomores are graduating Seniors the curriculum will have changed to permit them to take a more active part in campus activities.

WILLIAM J. JONAS, JR.

Name Withheld

Editor—On November 12, three "Name Withheld" letters appeared in The Gater. It occurs to me that these people may be under the impression that their names are actually being kept confidential. They should be warned that the paper is prepared to pour out its heart like a flighty high school girl to the first congressional investigating committee that comes along. The plethora of such committees at large today makes "safety in anonymity" impossible.

It is quite natural that the authors of the first two mystery letters would want to keep their names suppressed, but there seems to be no reason for the last letter writer to dig his toe into the dirt and cover his face in shame. Anyone with something meaningful to contribute should be willing to reveal his name to the public; he should not hide behind the leniency of the paper and take pot shots at the rest of the student body.

I realize that my words may be falling on deaf ears; it is my suspicion that these letters of indeterminate origin are, in reality, created by some hack writer on the staff merely to ease the shortage of copy. In any case, it would be gratifying to see people ready to take the responsibility for their own opinions. JOHN DAVID LAMB.

Thanks Students

Editor—On behalf of Karl Knuth I want to thank all of those who worked faithfully on Homecoming. I also want to thank the Associated Students for participating in the activities. Without their help Homecoming would not have been the success it was.

SHARON McCULLEY,
Executive Secretary,
Activities Committee.

Committee Lauded

To the Members of
The Bonfire Committee

I would like to express my thanks to the many people that helped make the bonfire a success. Only with your aid were we able to make this event one of the highlights of Homecoming activities.

BILL MINUCCIANI,
Chairman of
Bonfire Committee.

BOB TIERNY ELECTED GATERVILLE PRESIDENT

Bob Tierny was elected president of the Gaterville Association at a recent meeting.

Assisting Tierny this year will be Gene Stewart, vice president.

Thanksgiving Prayers

O God, the source of all goodness and grace, grant that we may enjoy the virtue of gratitude. Let us be grateful for the blessings of a free country, of unrestricted search for knowledge and truth, of civil freedom. Let us take account of the many blessings that have been given to us that we may know Thee in Thy goodness.

We do thank Thee, O Lord, and ask Thy continued care. Amen.
REV. JAMES N. BROWN.

It is generally agreed that just as "the Hebraic mortar cemented the foundations of American democracy" (Lecky), so the first Thanksgiving was inspired by the Old Testament's festival of thanksgiving, Succot. For in it our Puritan fathers saw "not history alone . . . but the glory of men reflecting and celebrating the glory of God." (Storrs' "The Puritan Spirit.")

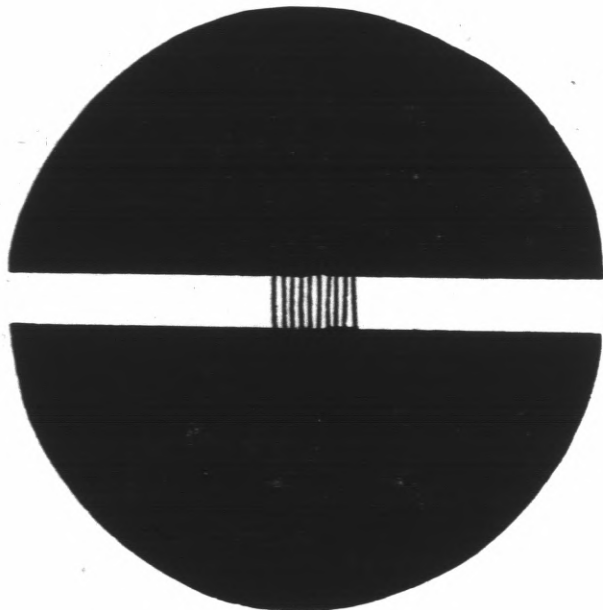

When Thanksgiving begins as a religious experience, it reveals the divine origin of man. Sincere gratitude is a godly attribute.

RABBI ELLIOT M. BURSTEIN.

Heavenly Father, as another season of Thanksgiving comes upon us, we are deeply grateful for all Thy goodness to us. Materially we have prospered more than any nation upon the earth. But it is not alone for food and clothing and shelter that we are thankful. The intangible blessings are so real also. The freedom to think, the privilege to play, the right to worship as we are led by Thee are all part of the good things that Thou hast bestowed upon us. Help us to say "thanks" with our deeds and our lives, as well as with our lips. In Jesus' name we pray. Amen.
REV. E. W. J. SCHMITT.

WHAT'S THIS DROODLE?

For solution see paragraph below.

ACCORDING TO THE LARGEST and latest coast-to-coast college survey, college smokers prefer Luckies—and by a wide margin. The No. 1 reason: Luckies taste better. Thousands of students appreciate Luckies' better taste almost as much as the pair in the Droodle above, titled: Sweethearts attempting to kiss and enjoy better-tasting Luckies at same time. Luckies taste better for good reasons. First of all, Lucky Strike means fine tobacco. Then, "It's Toasted" to taste better. This famous Lucky Strike process tones up Luckies' light, good-tasting tobacco to make it taste even better—cleaner, fresher, smoother. So, enjoy the better-tasting cigarette . . . Lucky Strike.

Better taste Luckies...
LUCKIES TASTE BETTER
CLEANER, FRESHER, SMOOTHER!

Spry Assumes Management Of S. F. State Foundation

ASSFSC Business Manager Bill Spry has been given a two-month leave of absence by the Board of Directors.

Spry will take over the management of the San Francisco State Foundation (i.e. bookstore and cafeteria) to help organize it into an operating corporation. He will still devote 25 per cent of his time to student affairs with 50 per cent going to the foundation and 25 per cent to his position as an instructor in the Business Division. The foundation will pay one-half of his salary.

According to Spry, the rea-

son that the Board of Directors gave him the part-time leave was that with the bookstore and cafeteria under one manager devoting full attention to them, they will operate more efficiently to the students' benefit.

Among other projects, he will work to obtain federal and state tax exemptions for the foundation.

The foundation was set up last year as a corporation, with no attachment to the ASSFSC, under the Board of Governors. Until this time it has not been organized as such.

AMERICA'S LEADING MANUFACTURER OF CIGARETTES

Intramural Notes

By ROBERT JOHNSTON

With the preliminary and semifinal bouts of the intramural boxing tournament, novice division, nearing an end, boxing manager John Barrie is preparing for the finals to be held November 30 during the noon hour.

Survivors of the preliminaries held in the Men's Gym on November 16 were: Ray Bravo, 119 lbs.; Mike Cassidy, 125; Bill Fawcett and Bob Warfield, 139; Leonard Gardner, Sam Hiona, Booker Jackson and Charles Racason, 156; Dick Chute and Carl Willhoft, 178; and heavyweights Bob Dryer, Roy Neneila and Floyd Peters.

SEMIFINAL WINNERS

Semifinal winners November 18 were Ernest Browning and Herbert LaBrash, 139 lbs.; Leonard Gardner, 156; and Carl Willhoft, 178. Three semifinal bouts were postponed until this week.

Last Thursday, Barrie announced that sign-ups for junior and all-college divisions had not been heavy enough to warrant tournaments at this time. He said that an all-college tournament will begin December 14 and urged all interested students who can qualify to sign up on the Intramural Bulletin Board in the Men's Gym.

BASKETBALL LEAGUES

Coach Harkness' Frosh Bears set off the intramural basketball season for the Frosh League last week with a 33 to 30 win over the Frosh Tigers. The Tigers were in the lead throughout the game, but the Bears pushed them over with a strong scoring spurt in the last two minutes of the game.

High scorers were Ed Wahl for the Bears with 10 points, and Bob Ward and Jack Peterson for the Tigers with 14 and 10 points, respectively.

TIGERS DOWN LIONS

Dr. DeGhetaldi's Tigers met and bested Mr. Bridgman's Lions, 21 to 14, in a Frosh League game on November 18.

In the Club League, the East Bay Athletic Club defeated the Merced AC, 36 to 32, on November 12.

On November 17 Club League action saw the Tee Pee AC beat the Contra Costa AC, 33 to 29, and the East Bay AC win over Industrial Arts AC, 26 to 23.

SWIMMING-DIVING

Robert Nelson, manager of the Intramural Swimming and Diving Meet, announced Friday that the preliminaries will be held in the pool on Thursday, Dec. 2, from 1 to 2 p. m.

Back stroke, breast stroke, and relay swimming events will

be offered for men students, and free style and diving competition will be open to men and women students.

Rules, schedules of events, and entry blanks for this meet are posted on the Intramural Bulletin Board in the Men's Gym. Nelson requested that entry blanks be returned to the Intramural Office, Men's Gym, before November 29.

FREE THROW CONTEST

Dave Marcelli, tournament manager, announced Friday the women students' division winners in the intramural consecutive free throw contest tie play-off. In the play-off for second and third place, Francis Piper placed second and Carol Ghens, third.

BADMINTON

John Gardner, assistant badminton tournament manager, issued a warning to players last week that their matches must be played before the deadline for each round or they are ineligible to advance.

He stated that the first round ended Nov. 19; the second round deadline is Nov. 26.

Water Polo Team Tips Olympic Club

Overwhelming their opponent in a fourth-quarter spurt of scoring, the San Francisco State water polo team defeated the Olympic Club, 17 to 15, in the Club pool on November 17.

Trailing at the end of the first quarter 6 to 2, at the half 11 to 5, and at the end of the third quarter 13 to 6, the SFSC team poured 11 scores past the Olympic Club goalie in the fourth quarter.

Gator Coach Hal Harden described the last quarter as "the best exhibition of water polo I've ever seen."

Scoring for S. F. State were Norman Cady and Jules Voerg with 6 goals apiece, Samuel Citron with 3, and Maurice O'Roke with 2.

In a non-league game on November 12 in the local pool, the San Francisco State water polo team swamped the Central YMCA, 14 to 0.

Official Notices

The Deans' Committee directs the attention of students to the revised minimum scholarship standards governing probation and disqualification which appear on page 53 of the 1954-1955 college catalogue, as well as to the following supplementary regulation concerning scholarship requirements:

"The Dean's Committee may take special action to place a student on probation or to disqualify him under the following condition: When a student's academic performance during any one semester is so poor as to raise serious doubts as to the desirability of his continued enrollment, even though his cumulative record meets minimum scholarship requirements."

MID-SEMESTER REPORTS

Mid-semester reports of unsatisfactory academic work have been mailed to students with duplicates to advisers. All students, except those who know they are doing well in all classes, should report immediately to their advisers during their office hours to check their progress and discuss further action, i.e., drop courses, lighten outside work load, secure remedial help.

Applications are now available in the Associated Students' Business Office, Hut T-1, for students who wish to work on the Spring, 1955, Orientation and Registration program. If you wish to work, please pick up applications immediately, fill them out in duplicate, and return them to the Student Body Office no later than Friday, December 3.

High sophomores and any upper division students who have not filed their majors must see their advisers to do so before the forthcoming advising period. The pre-registration advising period—at which time students meet with their advisers to plan their programs for the following semester—has been set for January 5 through 14. This period will be reserved primarily for high sophomores, upper division and graduate students, to see their Major and/or Minor advisers, and Education advisers.

Students in the General Education Program may contact their advisers during this period; but the regular period set aside for their advising will be February 7, 8 and 9, 1955—the orientation and advising days just prior to registration for the Spring semester.

ART CLUB PROMOTES CHRISTMAS CARD SALE

The annual Christmas Card sale, sponsored by the Art Club, will begin Monday, Nov. 29. The cards will be sold at three locations: in front of the Student Union, in the Creative Arts building and in the Art Club room in the Industrial Arts Building.

All cards will be hand silk-screened and made in a variety of designs.

Humanities to Present

Oriental Culture Series

The second in a series of discussions on oriental culture will be presented by the Humanities Club, Thursday, Dec. 2. The program will begin at 1 p. m. in AI 109.

Participating in the program will be a group of Japanese musicians who will play and discuss Japanese music.

Business Club Plans Chapter

Preparations to bring a chapter of the National Business Club to the campus are now under way.

Mr. William Regan, who, along with a number of business students is striving to organize the club, states that this will be the first time that a national business club is represented on campus, and should go a long way toward establishing the reputation of S. F. State's excellent school of business.

Leading business executives will be invited to speak and participate in club functions, and members will have the advantage of top executive guidance in their particular fields of interest in business world.

It is felt that the club will help foster better business relations between students and businessmen in the Bay Area.

Model U. N. Appoints Members to Committees

Under the direction of Bob Cannon, Secretary General of the Model United Nations Commission of San Francisco State College, three major committees have been formed to cope with current problems.

Such issues as the formulation of an agenda for the coming Model U. N. convention, the rules of procedure and a revision of some aspects of the International Court of Justice as it will apply to the context of the 1955 session, are being revised by specialized groups.

BELAID CO-ORDINATES

Rabah Belaid, technical assistant for the commission, was delegated the task of co-ordinating technical aspects of the committee work, as well as to advise them of any violation of the rules of the Model United Nations.

Simon Frome was appointed chairman of the Agenda Committee whose purpose it is to draft the agenda for the many consuls of the convention. Current problems of international

significance will be listed on the agenda.

RULES REVISED

Revision of the rules of procedure during the conference will be accomplished by a Procedure Committee under the chairmanship of Allan Trimble. Any revisions must be approved by all delegations attending the conference.

The chairman has not been appointed to head the International Court of Justice. However, when fully staffed, this group will concern itself with the job of improving the machinery of the court.

Gators Win League Title

(Continued from Page 1)

Wildcat 8 before being spilled. The 'Cats held for two running plays before QB Hoot Ellis again took to the air, this time with a bullet pass to Bremmond who received it on the goal line and fell into the end zone for the TD.

Rodrigo supplied the margin of victory by successfully converting and the half ended with S. F. State in possession of a shaky 7 to 6 lead.

Chico's final bid for 1954 top honors came with but a few fleeting minutes left to go in the game. While attempting to "run out the clock," the Gators fumbled on their own 45-yard

stripe and the Wildcats recovered.

RAY CARRIES THE MAIL

Under the command of second-string QB Don Ray, the Red and White machine sought to capitalize on this golden opportunity as quickly as possible. Eight plays later Chico had fought their way to the Gator 3-yard line. Realizing he had two plays in which to push it across, Ray chose to carry the mail himself.

His first quarterback sneak carried to the 1-yard line. With but one yard standing between championship and defeat the Gator forward wall rose to meet the challenge. When Ray

again tried to power his way over, he was stopped cold, just two feet from his destination.
